Dear Safe Routes to School Partners, Coordinators and Friends,

We are very excited to announce that **Safe Routes to School Story Time is back!** Each Story Time begins with a fun activity, followed by a story related to walking or biking and a closing activity. Please share this widely with educators, families and students. We hope you will join us!

On October 7th, we will be reading [Once Upon a Dragon: Stranger Safety for Kids and Dragons](#).

Story Synopsis

After a thump-bumping ride on a slide, a little girl and her dragon friend find themselves inside a fairy-tale book. The stories are familiar, and there's lots of silly fun as the dragon is transformed into fairy-tale characters. But danger lurks in the form of strangers --- including the hungry wolf from Little Red Riding Hood and Snow White's evil stepmother. It's up to the girl to keep an eye on the dragon, who walks alone through deep dark woods and takes treats from people he doesn't know. Little by little, the girl teaches her irrepressible friend to be careful about strangers.
