San Mateo County
SAFE ROUTES TO SCHOOL

Healthy Kids • Green Communities • Safe Journeys

Now Hiring for Two AmeriCorps-Climate Corps Fellows!

Join the San Mateo County Safe Routes to School (SRTS) team! There are currently two open positions for AmeriCorps-Climate Corps fellowships.

Are you or someone you know passionate about sustainability and transportation? Are you looking for experience working in environmental equity, active transportation, and community engagement? Work with San Mateo County Safe Routes to School and help increase walking and biking across the county!

Climate Corps is a full-time, 10-month fellowship program where individuals receive extensive job training and support, participate in monthly professional development trainings, a 2-day retreat, and earn a \$10,000 educational award upon completion of the fellowship!

Job Openings (Click the links below to view the full job description and apply on the Climate Corps website):

- [Transportation Equity and Safe Routes to School Fellow \(San Mateo County Office of Education & City of South San Francisco\) - AmeriCorps](#)
- [Safe Routes to School Equity Fellow \(San Mateo County Office of Education\) - AmeriCorps](#)

Here's what past fellows said about their experiences...

"Working with Safe Routes to School has been such a gratifying experience. My regional and

site supervisors were super supportive and helped me grow in skills and knowledge necessary to succeed in a career focused on sustainability. I got to work on projects and lead program initiatives that supported youth, seniors, and all those impacted by transportation. This opportunity has opened so many doors and has helped me grow as a leader fighting for climate justice." 2021-2022 Fellow

"Being a Climate Corps fellow working with Safe Routes to School is an enriching experience where you learn more about transportation, safety, and the intersection of climate change. This is great team to collaborate on lots of fun events with!" 2021-2022 Fellow
