San Mateo County
SAFE ROUTES TO SCHOOL

Healthy Kids • Green Communities • Safe Journeys

Apply to Be the Next Safe Routes to School Project Specialist!

This is a part-time (80%) position with full benefits.

The [Safe Routes to School Project Specialist](#) will provide technical assistance to schools throughout the county and work with school district and school personnel, community members and the San Mateo County Safe Routes to School network to ensure San Mateo County students are able to walk and bicycle to school safely. The Project Specialist will facilitate bicycle and pedestrian education, encouragement activities, and proven best practices for safe walking and bicycling and foster a relationship between schools and municipalities.

The closing date for applications is September 2, 2022.

Apply [Here](#)

We are Looking to Hire Two AmeriCorps-Climate Corps Fellows!

Join the San Mateo County Safe Routes to School (SRTS) team! There are currently two open positions for AmeriCorps-Climate Corps fellowships. This is an excellent opportunity for a recent college graduate or anyone interested in doing a year of service!

Are you or someone you know passionate about sustainability and transportation? Are you looking for experience working in environmental equity, active transportation, and community engagement? **Work with San Mateo County Safe Routes to School and help increase walking and biking across the county!**

Climate Corps is a full-time, 10-month fellowship program where individuals receive extensive job training and support, participate in monthly professional development trainings, a 2-day retreat, and earn a \$10,000 educational award upon completion of the fellowship!

Job Openings (Click the links below to view the full job description and apply on the Climate Corps website):

- [Sustainable Transportation Equity Fellow \(SMCOE & City of SSF\) - AmeriCorps](#)
- [School Transportation Equity Fellow - AmeriCorps](#) (SMCOE only)

Here's what past fellows said about their experiences...

"Working with Safe Routes to School has been such a gratifying experience. My regional and site supervisors were super supportive and helped me grow in skills and knowledge necessary to succeed in a career focused on sustainability. I got to work on projects and lead program initiatives that supported youth, seniors, and all those impacted by transportation. This opportunity has opened so many doors and has helped me grow as a leader fighting for climate justice." 2021-2022 Fellow

"Being a Climate Corps fellow working with Safe Routes is an enriching experience where you learn more about transportation, safety, and the intersection of climate change. This is great team to collaborate on lots of fun events with!" 2021-2022 Fellow

Help get kids on bikes and walking to school!

Photo of walk audit assessment with health consultant Mark Fenton. As a Project Specialist and as a fellow, be a part of walkability assessments that lead to infrastructure improvements and safer streets across the county!

Are you ready to be a changemaker? **Apply TODAY!**
