Be a voice for transportation in San Mateo County!

The TA is currently looking for applicants to fill a few vacant seats on its **Community Advisory Committee** (CAC).

The CAC is a 15-member volunteer group that acts as a liaison between the public and the Board of Directors, providing valuable input on projects and programs related to the expenditure of sales tax revenues generated by voter-approved Measures A and W.

Committee members are asked to serve a three-year term and should reflect a broad spectrum of interests and geographic areas of the county. Currently, we're looking for residents of Daly City, Colma, Brisbane and South San Francisco, to represent the North County region.

The committee meets in person at 4:30 p.m. on the Tuesday before the first Thursday of every month at the SamTrans headquarters located at 1250 San Carlos Avenue, Bacciocco Auditorium, 2nd Floor, San Carlos.

Apply online (multiple language options available). To receive an application in Spanish or Chinese, email the CAC Secretary's office: brookj@samtrans.com.

Subject: NBC News coverage of Express Lane cheating
Date: Monday, October 28, 2024 11:41:39 AM

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Dear SMCTA, C/CAG, Samtrans, and JPA Boards and Advisory Committees,

[Here is a link to NBC News' coverage](#) last night on cheating in the Express Lanes. The report covers the volume of violators, the increase in crashes, and the cost of CHP overtime to enforce the lanes.

As the SMCTA Community Advisory Committee has asked several times, I hope that we are able to get data on how many of the 40% of drivers choosing "3/free" are actually in carpools. Anecdotally, I see less than half of these drivers with three occupants in their vehicles.

Thanks for your work for transportation in SM County,

Mike Swire
