Notice of any contracts and change orders provided to the TA will not constitute approval by the TA of the contracts and change orders nor obligate the TA to provide funds in excess of its maximum contribution stated in Section 2.1 of this Agreement.

1.4 Progress Reports. Sponsor will prepare and submit to the TA monthly progress reports during the entire term of the Scope of Work and covering all Scope of Work activities for work completed during the previous month using the template in Exhibit B. The reports must describe:

1.6 Access to Records and Record Retention. At all reasonable times, Sponsor will permit the TA access to all reports, designs, drawings, plans, specifications, schedules and other materials prepared, or in the process of being prepared, for the Scope of Work by Sponsor or any contractor or consultant of Sponsor. Sponsor will also make available to the TA upon request any professional service agreements, change orders and any other agreements that are related to the Scope of Work. Sponsor will provide copies of any documents described in this Section to the TA upon request. Sponsor will retain all records pertaining to the Scope of Work for at least three years after completion of the Project.

SECTION 2: Funding and Payment [[Option A: No specified match required, no pro rata language]]

2.1 Funding Commitment. The TA allocates to Sponsor up to [\$AMOUNT] for reimbursement of expenditures related to the Scope of Work (Scope of Work Costs) as provided in this Section 2. Sponsor will contribute, or provide for the contribution of, the entire amount in excess of [\$AMOUNT] needed to complete the Scope of Work. The TA’s funding commitment under this Agreement in no way establishes a right for Sponsor to receive additional funding from the TA. All funding obligations of the TA under this Agreement are subject to downward adjustment based on actual sales tax receipts for the fiscal years indicated.

Sponsor will assess and confirm its ability to complete the Scope of Work within budget as part of the monthly reporting requirements established in Section 1.4, above. Sponsor must further notify the TA between reporting cycles if Sponsor determines that the budget will not be sufficient to complete the Scope of Work. The TA reserves the right to suspend its funding obligation as set forth in Section 3.4 of this Agreement upon such notice, and until Sponsor develops a credible funding plan acceptable to the TA to fund and complete the Scope of Work.

2.2 Use of Funds.

- a) Measure A Funds shall be used only for direct eligible costs to complete the Scope of Work. The Sponsor is responsible for demonstrating to the TA that the expenses incurred were necessary to deliver the Scope of Work. Reimbursement for the following costs will require detailed documentation in accordance with generally-accepted accounting principles:

  - ii. Costs directly tied to the implementation of the Scope of Work as more specifically defined in Exhibit C, “Definitions of Eligible Costs for Reimbursement,” which is attached to this Agreement and incorporated herein by this reference;

- iii. Sponsor staff time for Scope of Work implementation;

- c) Eligible costs are defined in greater detail in Exhibit C, “Definitions of Eligible Costs for Reimbursement.” If Sponsor wishes to undertake items of work not covered under the Scope of Work concurrent with performing the Scope of Work, the cost for including and undertaking the additional work shall be segregated, and the costs borne exclusively by the Sponsor from a non-Measure A Highway Program funding source(s). In the event that an activity is not listed in Exhibit C, but Sponsor believes that it is an eligible cost, Sponsor may request that the TA consider reimbursing the Sponsor for the activity. The TA will have sole discretion to grant or deny Sponsor's requests.
- d) Sponsor agrees that it shall use funds provided pursuant to this Agreement to supplement existing revenue, that funds provided pursuant to this Agreement may not be used to replace other local taxes or revenues already programmed and available for use for the same purpose, and that the Sponsor will use funds provided pursuant to this Agreement only for the Scope of Work.

If the TA determines that the Sponsor has used funds provided pursuant to this Agreement other than for the approved Scope of Work, the TA will notify Sponsor of its determination. The Sponsor shall, within thirty (30) days of notification of the TA’s determination, either (i) repay such funds to the TA, or (ii) provide to the TA an answer detailing the Sponsor’s understanding of how the funds in question were spent for the approved Scope of Work, to which the TA will respond within thirty (30) days of receipt. The TA’s response will be final, unless otherwise stated in the response, and the Sponsor shall repay any funds determined to have been used other than for the approved Scope of Work within thirty (30) days.

**2.3 Reimbursement Basis.** Sponsor may seek reimbursement for Scope of Work Costs incurred on or after the Execution Date. Scope of Work Costs must be incurred and paid by Sponsor prior to requesting reimbursement from the TA. Sufficient documentation

must accompany all requests for reimbursement, including the submittal of all due monthly progress reports.

2.4 Accounting and Request for Reimbursement Procedures. Sponsor, in coordination with and to the satisfaction of the TA, will establish procedures for Scope of Work accounting and requests for reimbursement. These procedures will track and reflect the accumulation of the TA's share of costs for all work within the Scope of Work. Sponsor will detail the TA's share of Scope of Work costs for all work funded under this Agreement with each "Reimbursement Claim Form," which is attached to this Agreement as Exhibit D and incorporated herein. Sponsor will maintain all necessary books and records in accordance with generally accepted accounting principles.

2.5 Invoices; Payments.

- a) Sponsor must prepare and submit billing statements consistent with the Reimbursement Claim Form with all required supporting documentation. Supporting documentation may include, but is not limited to, copies of vendor invoices, timesheets, backup documentation, checks, and payment advice, and must include an accounting of the TA's share of costs for the Scope of Work as contemplated by this Agreement.

- c) For each voluntary real property transaction, Sponsor must also provide:

- i. Copy of the fully executed purchase and sale agreement;
  - ii. Copy of an executed and recorded deed[, in a form consistent with the requirements set forth in the then-current Caltrans Right-of-Way manual];
  - iii. Copy of the Policy of Title insurance; and
  - iv. Copy of the final closing statement from the escrow.
- d) For each real property acquisition undertaken through condemnation, Sponsor must also provide:
- i. Copy of the recorded Final Order of Condemnation; and
  - ii. Copy of the litigation guarantee issued by a title insurer.
- e) Sponsor must detail the tasks performed, associated costs, and Scope of Work Costs to be borne by the TA with each reimbursement request.
- f) The TA will endeavor to disburse reimbursements for approved Scope of Work Costs within thirty (30) days after the TA's approval of each claim, subject to the limits on the TA's maximum contribution as established in Section 2.1. The TA's obligation to reimburse Scope of Work Costs to Sponsor as provided in this section is conditioned upon the TA's prompt receipt of monthly progress reports from Sponsor pursuant to Section 1.4 above.

Sponsor will contribute, or provide for the contribution of, the entire amount in excess of [\$AMOUNT] needed to complete the Scope of Work [and must provide at least [AMOUNT]% of the Scope of Work Costs. The TA's funding commitment under this Agreement in no way establishes a right for Sponsor to receive additional funding from the TA. All funding obligations of the TA under this Agreement

are subject to downward adjustment based on actual sales tax receipts for the fiscal years indicated.

Sponsor will assess and confirm its ability to complete the Scope of Work within budget as part of the monthly reporting requirements established in Section 1.4, above. Sponsor must further notify the TA between reporting cycles if Sponsor determines that the budget will not be sufficient to complete the Scope of Work. The TA reserves the right to suspend its funding obligation as set forth in Section 3.4 of this Agreement upon such notice, and until Sponsor develops a credible funding plan acceptable to the TA to fund and complete the Scope of Work.

Sufficient documentation must accompany all requests for pro rata reimbursement, including the submittal of all due monthly progress reports.

### SECTION 3: Term

3.1 Term. The term of this Agreement will commence on [Allocation date/ Execution Date] and conclude upon the earliest of: (a) [[EVENT]], (b) the TA's final reimbursement to Sponsor for work performed hereunder, (c) termination by Sponsor or the TA pursuant to this Section 3, or (d) [[DATE – *Time of Performance plus 6 months*]].

3.2 Sponsor's Right to Terminate; Repayment upon Termination. Sponsor may at any time terminate the Scope of Work by giving ten (10) days' written notice to the TA of its election to do so. Upon such termination, Sponsor will not be reimbursed for any further Scope of Work Costs and will reimburse the TA for all monies paid by the TA and costs incurred by the TA in connection with the Scope of Work as well as all reasonable costs and expenses incurred to effect such termination within ninety (90) days of the TA's submission to Sponsor of a detailed statement of such payments and costs.

3.3 Termination by the TA. The TA may terminate this Agreement, with or without cause, by giving ten (10) days' written notice of such termination. If the TA terminates the Agreement for Sponsor's default, Sponsor will reimburse the TA for all funds paid to Sponsor in connection with the Scope of Work, and for all costs incurred by the TA in connection with the Scope of Work as well as all reasonable costs and expenses incurred to effect such termination, within ninety (90) days of the TA's submission to Sponsor of a detailed statement of such payments and costs. If the TA terminates the Agreement for convenience, the TA is obligated to pay to Sponsor all costs and expenses incurred by Sponsor up to the date of notice of termination, as well as all reasonable costs and expenses incurred to effect such termination.

3.4 Expiration/Suspension of TA's Financial Obligations. Any and all financial obligations of the TA pursuant to this Agreement expire upon the expenditure of TA's maximum contribution to the Scope of Work as established in Section 2.1 above or the conclusion of the Term as defined in Section 3.1, whichever occurs first. The TA reserves the right to suspend its financial obligation, with ten (10) days' advance notice, if Sponsor identifies a risk of not being able to complete the Scope of Work within budget. If Sponsor cannot provide a credible funding plan acceptable to the TA to fund and complete Scope of Work, the TA may terminate this agreement. If Sponsor identifies a risk of not being able to complete the Scope of Work within budget, failure to report such risk to the TA is cause for termination under Section 3.3.

3.5 Time of Performance. The Scope of Work must be completed no later than [DATE] *[use the following chart to determine the appropriate date:]*

<i>Phase</i>	<i>Upper Duration (months)</i>
<i>Preliminary Planning Study</i>	<i>12</i>
<i>Project Initiation Document</i>	<i>18</i>
<i>Project Approval/Environmental Document</i>	<i>30</i>
<i>Design</i>	<i>36</i>
<i>Construction</i>	<i>42</i>

3.6 Time Extension. If the Scope of Work cannot be completed within the Time of Performance as defined in Section 3.5, Sponsor must submit a request in writing to the TA no later than six (6) months before the Time of Performance for an extension for the Time of Performance. The TA will review the request, and grant the extension if it is justified in TA's sole and complete discretion. Costs incurred for the Scope of Work after the Time of Performance are at risk of denial for reimbursement by the TA. The unreimbursed portion of the Measure A allocation will be retained by the TA for the Measure A Highway Program.

## SECTION 4: Indemnification and Insurance

### 4.1 Indemnity by Sponsor.

Sponsor shall indemnify, keep and save harmless the TA and its directors, officers, agents and employees against any and all suits, claims or actions arising out of any of the following:

- a) Any injury to persons or property that may occur, or that may be alleged to have occurred, arising from the performance of the Project or implementation of this Agreement; or
- b) Any allegation that materials or services developed, provided or used for the Project infringe or violate any copyright, trademark, patent, trade secret, or any other intellectual-property or proprietary right of any third party.

Sponsor further agrees to defend any and all such actions, suits or claims and pay all charges of attorneys and all other costs and expenses of defenses as they are incurred. If any judgment is rendered, or settlement reached, against the TA or any of the individuals enumerated above in any such action, Sponsor shall, at its expense, satisfy and discharge the same.

This indemnification shall survive termination or expiration of the Agreement.

4.2 Insurance. For the purposes of this Insurance section, "Entity" is defined as any entity designing, approving designs and/or performing the Scope of Work funded by this Agreement. Entities may include Sponsor, a contractor of Sponsor, another body on behalf of which Sponsor submitted its funding application, and/or a contractor of such other body.

All Entities will provide the appropriate insurance covering the work being performed. The insurance requirements specified in this section will cover each Entity's own liability and any liability arising out of work or services of Entity subcontractors, subconsultants, suppliers, temporary workers, independent contractors, leased employees, or any other persons, firms or corporations (hereinafter collectively referred to as "Agents") working on the Project. If Sponsor itself is an Entity, Sponsor must also provide its own insurance meeting the requirements of this Section.

- a) Minimum Types and Scope of Insurance. Each Entity is required to procure and maintain at its sole cost and expense insurance subject to the requirements set forth below. Such insurance will remain in full force and effect throughout performance of the Scope of Work. All policies will be issued by insurers acceptable to the TA (generally with a Best's Rating of A-10 or better). Each Entity is also required to assess the risks associated with work to be performed by Agents and to require that Agents maintain adequate insurance coverages with appropriate limits and endorsements to cover such risks. To the extent that its Agent does not procure and maintain such insurance coverage, an Entity is responsible for and assumes any and all costs and expenses that may be incurred in securing said coverage or in fulfilling Entity's indemnity obligations as to itself or any of its Agents in the absence of coverage. Entities may self-insure against the risks associated with the Scope of Work, but in such case, waive subrogation in favor of the TA respecting any and all claims that may arise.
  - i. Workers' Compensation and Employer's Liability Insurance. Worker's Compensation coverage must meet statutory limits and Employer's Liability Insurance must have minimum limits of \$1 (one) million. Insurance must include a Waiver of Subrogation in favor of the TA.
  - ii. Commercial General Liability Insurance. The limit for Commercial General Liability Insurance in each contract and subcontract cannot be less

than [\$1 (one)/\$5 (five)/ \$10 (ten)]<sup>1</sup> million. Commercial General Liability Insurance must be primary to any other insurance, name the TA as an Additional Insured, include a Separation of Interests endorsement and include a Waiver of Subrogation in favor of the TA.

- iii. Business Automobile Liability Insurance. The limit for Business Automobile Liability Insurance in each contract and subcontract cannot be less than [\$1 (one)/\$5 (five)/ \$10 (ten)]<sup>1</sup> million. Insurance must cover all owned, non-owned and hired autos, and include a Waiver of Subrogation in favor of the TA.
- iv. Property Insurance. Property Insurance must cover an Entity's and/or Agent's own equipment as well as any materials to be installed. Property Insurance must include a Waiver of Subrogation in favor of the TA.
- v. Professional Liability Insurance. If deemed appropriate by Sponsor or an Entity in consideration of the work required for the Project, insurance should cover each Entity's and any Agent's professional work on the Project. The limit for Professional Liability Insurance in each appropriate contract and subcontract should not be less than \$1 million.
- vi. Contractors' Pollution Liability Insurance and/or Environmental Liability Insurance. If deemed appropriate by Sponsor or an Entity in consideration of the work required for the Project, insurance should cover potential pollution or environmental contamination or accidents. The limit for Pollution and/or Environmental Liability Insurance in each appropriate contract and subcontract should not be less than \$1 million. Such insurance must name the TA as an Additional Insured and include a Waiver of Subrogation in favor of the TA.
- vii. Railroad Protective Liability Insurance. Insurance is required if the Project will include any construction or demolition work within 50 feet of railroad tracks. The limit for Railroad Protective Liability Insurance in each appropriate contract and subcontract cannot be less than \$2 million per

---

<sup>1</sup> To be customized based on Project phase and cost:

\* For all projects: \$1M for Project Planning, Project Initiation, Project Approval & Environmental Design and Right of Way Phases

\* For capital projects with budgets of up to \$10M (e.g., road widening): \$1M for Design and Construction Phases

\* For capital projects with budgets between \$10M and \$40M (e.g., freeway interchange): \$5M for Design and Construction Phases

\* For capital projects with budgets of \$40M or more: \$10M limits for Design and Construction Phases

occurrence and \$6 million annual aggregate.

- b) Excess or Umbrella Coverage. Sponsor and/or any other Entity may opt to procure excess or umbrella coverage to meet the above requirements, but in such case, these policies must also satisfy all specified endorsements and stipulations for the underlying coverages and include provisions that the policy holder's insurance is to be primary without any right of contribution from the TA.
- c) Deductibles and Retentions. Sponsor must ensure that deductibles or retentions on any of the above insurance policies are paid without right of contribution from the TA. Deductible and retention provisions cannot contain any restrictions as to how or by whom the deductible or retention is paid. Any deductible or retention provision limiting payment to the named insured is unacceptable.

In the event that any policy contains a deductible or self-insured retention, and in the event that the TA seeks coverage under such policy as an additional insured, Sponsor will ensure that the policy holder satisfies such deductible to the extent of loss covered by such policy for a lawsuit arising from or connected with any alleged act or omission of the Entity or Agents, even if neither the Entity nor Agents are named defendants in the lawsuit.

- d) Claims Made Coverage. If any insurance specified above is provided on a claim-made basis, then in addition to coverage requirements above, such policy must provide that:
  - i. Policy retroactive date coincides with or precedes the Entity's start of work (including subsequent policies purchased as renewals or replacements).
  - ii. Entity will make every effort to maintain similar insurance for at least three (3) years following Project completion, including the requirement of adding all additional insureds.
  - iii. If insurance is terminated for any reason, each Entity agrees to purchase an extended reporting provision of at least three (3) years to report claims arising from work performed in connection with this Agreement.
  - iv. Policy allows for reporting of circumstances or incidents that might give rise to future claims.
- e) Failure to Procure Adequate Insurance. Failure by any Entity to procure sufficient insurance to financially support Section 4.1, Indemnity by Sponsor, of this Agreement does not excuse Sponsor from meeting all obligations of Section 4.1 and the remainder of this Agreement, generally.

Prior to beginning work under this Agreement, Sponsor must obtain, and produce upon request of the TA, satisfactory evidence of compliance with the insurance requirements of this section.

SECTION 5: Miscellaneous

5.1 Notices. 5.2 No Waiver. No waiver of any default or breach of any covenant of this Agreement by either Party will be implied from any omission by either Party to take action on account of such default if such default persists or is repeated. Express waivers are limited in scope and duration to their express provisions. Consent to one action does not imply consent to any future action.

5.3 Assignment. Parties are prohibited from assigning, transferring or otherwise substituting their interests or obligations under this Agreement without the written consent of all other Parties.

5.4 Governing Law. This Agreement is governed by the laws of the State of California as applied to contracts that are made and performed entirely in California.

The TA is entitled to copies and access to these materials during the progress of the Project and upon completion or termination of the Project or this Agreement. Sponsor may retain a copy of all material produced under this Agreement for its use in its general activities. This Section does not preclude additional shared ownership of work with other entities under contract with Sponsor for funding of the Project.

## Exhibit C

### **Definitions of Eligible Costs for Reimbursement**

**Project Initiation Documents (PID)** - activities necessary to complete PIDs covered under the Scope of Work.

**Environmental Studies** – environmental studies costs, including determination of the appropriate environmental document, preparation of all preliminary engineering for each alternative, including geomantic layouts, determination of right-of-way needs, environmental technical studies (such as air, noise, energy, cultural resources and hazardous waste), and all other studies or activities necessary to prepare and finalize the appropriate documents for Project and environmental approval.

**Design** – design activities such as preparation of design studies; materials and foundation reports; drainage, hydrology and hydraulic reports; surveying and mapping; preparation of the plans, specifications and estimate; preparation of bid documents and Project files; preparation of permit applications and maintenance agreements; coordination of agency reviews and any other activities necessary to prepare final plans specifications and estimate (PS&E) for bid advertisement and award; and management oversight of these tasks except as limited in Section 2.2 (b) of the Agreement.

**Right-of-Way Acquisition** – all activities related to right-of-way including determination of right-of-way needs; title searches; preparation of appraisal maps, legal descriptions and plat maps; parcel appraisals and appraisal reviews; hazardous materials-testing and analysis; preparation of right-of-way acquisition documents; activities involved with acquiring rights-of-way including negotiation with property owners and cost associated with condemnation proceedings (including legal costs, expert witness costs, etc., but not including costs related to claims for inverse condemnation), right-of-way capital costs and cost-to-cure impacts related to the acquisition. To the extent allowed by law, Sponsor shall undertake all best efforts so that cleanup of existing hazardous materials shall remain the liability of the property owner.

Services provided for right-of-way activities involved with property not necessary for the Measure A Highway Program-funded Project as defined in the Scope of Work, and the associated costs for all such property, shall be at the sole expense of the Sponsor.

Any property not used for construction of the Project, or used for any purpose other than construction of the Project as defined in the Scope of Work, should be identified and the funding agencies should be informed. Any excess right-of-way shall be identified as early as possible in the Project design process and sold. The proceeds from the sale of such property shall be returned to the funding agencies, prorated based on the percentage of funds each agency contributed to the purchase of the property.

**Construction** – construction expenditures for the Project (construction capital, management and

inspection, surveys, public outreach, and related activities) that are part of the Scope of Work agreed to by the TA. Sponsor must submit all change orders over \$50,000 to the TA for review and written approval before the TA will reimburse the Sponsor with Measure A Funds.

In addition, Measure A Funds are eligible for reimbursement of Sponsor's Project management oversight expenses associated with the construction of the Project. This would include activities such as construction management inspection, expenses associated with reviewing proposed change orders, and activities involved with submitting final costs to the appropriate agencies to secure other leveraged funds. Expenditure of Measure A Funds remains subject to the limits set forth in Section 2.2 (b) of the Agreement.

The Sponsor may include additional work beyond the Scope of Work for the Project at its own expense. The TA will require these costs to be segregated from the other item work expenses and paid for with non-Measure A Highway Program funds.

**Miscellaneous** – fees from other agencies, including permit fees or reimbursement for review or oversight costs needed for the Project are eligible costs. However, the cost of permits or fees from the Project Sponsor will not be eligible. Utility relocation costs are eligible for reimbursement according to previous agreements establishing rights for those utilities. The costs for specialized equipment for testing, analysis or production of documents for Project-related work are also eligible.
