Transportation Authority Wetlands Project: Wins Award

U.S. Route 101/Broadway Interchange Reconstruction

News Archive

The San Mateo County Transportation Authority was formed in 1988 with the passage of the voter-approved half-cent sales tax for countywide transportation projects and programs, known as Measure A.

The original Measure A expired Dec. 31, 2008. In 2004, county voters overwhelmingly approved a reauthorization of Measure A through 2013.

The TA's role is to administer the proceeds from Measure A to fund a broad spectrum of transportation-related projects and programs.

The TA is an independent agency and is governed by an appointed board of seven directors, who are elected officials, representing the county, cities and the San Mateo County Transit District.

New Interior Page

The screenshot shows the 'Programs' page of the Weick County Transportation Authority website. The page features a navigation menu with 'HOME', 'PROGRAMS', 'PROJECTS', 'FINANCE', and 'ABOUT'. A search bar is located to the right of the menu. The main content area is titled 'Programs' and includes a paragraph explaining the TA's role in administering Measure A funds. A pie chart displays the distribution of these funds across various transportation programs. Below the chart are three columns of quick links: 'Quick Links', 'Call For Projects', and 'Meetings'. The footer contains copyright information and a Google Analytics tracking code.

Program	Percentage
Transit	30%
Highways	27.5%
Local Street & Transportation	22.5%
Grade Separation	15%
Pedestrian & Bicycle	3%
Alternate Congestion Relief	1%
Administrative	1%
